Attn: Michael Keaton

Dear Mr. Keaton:

We want to express our sincere gratitude for recovering 80% of the debt owed in the Rawls case. Your firm did an excellent job. Your hard work and dedication to this case paid off.

It has been a pleasure working with you. If we are in need to this type of assistance again we will certainly give you call.

Again thank you for all your hard work and effort.

Sincerely,

David A. Tonso
President, Canon Potato
